### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The following is an examiner's statement of reasons for allowance: The claimed invention discloses a circuit board comprising a base member with interconnect layers and electrically floating conductive layers formed on both the surfaces of the base member wherein electrically floating conductive layers substantially cover both the surfaces of the base layer except those surfaces where the interconnect layers are formed, and have edges adjacent to edges of the interconnect layer, in combination with a dielectric layer covering a part of the interconnect layer and entire surface of the electrically floating conductive layer, filling a gap between the edge of the interconnect layer and the edge of the electrically floating conductive layer. This structure is not disclosed by prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
